

## Features

## Exclusive Benefits

### Solid Hardwood Cabinetry

Gulf Stream residential style cabinets are constructed of solid hardwood doors and fronts that are pre drilled and screwed then stained and top coated with a furniture grade finish - providing long lasting beauty and durability as well as strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of your motorhome.

### Galvanized Steel Storage Compartments

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

### High Efficiency H-Ducted Roof Air

Dual metal H-Ducted air-conditioning system with foil bubble wrapped insulation for superior climate control. Gulf Stream's roof air-conditioning system is a proven leader versus other brands' floor systems:  
After 15 min. - 7 degrees cooler  
After 30 min. - 9 degrees cooler  
At 1 hour - remains 9 degrees cooler

### Flush Floor Slide Out Rooms

True flush floor side out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many other brand motorhomes.

### Comfort Plus Furniture

Gulf Stream's own Comfort Plus Furniture® features Leather Touch® residential styling, solid construction, total comfort and a comprehensive warranty.

Unlike traditional plywood and foam seating, Comfort Plus dinette seatings features the strength of steel and the comfort of a sprung cushion.

### Seamless, Skid Resistant, Puncture Resistant, Fiberglass Roof

**Excellent Weathering:** Maintaining the vehicle's quality appearance enhances its resale value.

**Tear Resistance:** Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to necessary and expensive repair.

**Low Maintenance:** Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

**Stain Resistance:** Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

**Structural Integrity:** Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

**Textured Fiberglass:** Helps dissipate heat and prevents tree limbs from tearing or scratching the roof.

### 24 Month 24,000 Mile, Warranty

Gulf Stream warranty on structural components. See the official written warranty for details.

### Coach-Net® 24 Hour Emergency Roadside Assistance

Gulf Stream provides complimentary one-year membership to assist with towing and winching, flat tire change, mobile mechanic, delivery of emergency fluids, jump start/battery boost and lockouts.

### Gulf Stream Gold Program & Gulfstreamers International Recreational Vehicle Club Memberships

See details on back page.

Thank you for taking the time to review the European inspired class A *Caribbean*.

For more than twenty-six years *Gulf Stream* has helped families enjoy the RV lifestyle while keeping everyone safe. Beginning with our cradle of strength construction and continuing with our national service network, including 24 hour roadside assistance, Gulf Stream is by your side.

You will enjoy the great many amenities in the *Caribbean* - and come to find out why it truly is a Paradise on Wheels.

Take a moment and review the great floor plans available in the *Caribbean*!

Gulf Stream Coach is a privately owned company with over 26 years of RV manufacturing experience.

RV dealers and consumers look to Gulf Stream for high-value products offering quality construction, innovative features, contemporary design, unmatched service, and continual support.

Gulf Stream offers the largest product line in the industry. From entry level travel trailers to luxury motorhomes - all use the most advanced manufacturing techniques.

## The Benefits of Gulf Stream

**Coach-Net** RV Technical & Roadside Assistance  
At Gulf Stream we know there is nothing basic about your RV, so why settle for basic roadside assistance? Therefore, we offer you....

### One Year of FREE Coach-Net Roadside Assistance

Because the complexity of keeping your RV on the road and working properly is an ever-growing challenge. Gulf Stream is building RVs that have many of the latest amenities that we enjoy at home and we understand that for you to keep up with the latest technical advances being made every year at Gulf Stream can be difficult.

The Gulf Streamers RV Club is a valuable benefit to

all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. The Main Stream is the club magazine with up-to-date product information, service tips and company highlights. Members benefit from the Emergency Road Service and Gulf Streamers Insurance options. Both are available at competitive rates with friendly, reliable service. In addition, members save 10% at campgrounds throughout the U.S. and Canada plus receive discounts at national theme parks and special attractions. Members are provided with RV and travel guides, directories and magazines.

Gulf Streamers spend quality time touring attractions, enjoy fabulous meals, take in area highlights and shows - all to make the most out of their RV experience. Go to [www.GulfStreamRV.com](http://www.GulfStreamRV.com) and click RV Club for more information.

For more information and available options, contact your local Gulf Stream Dealer, [www.GulfStreamRV.com](http://www.GulfStreamRV.com), or Gulf Stream Coach, Inc. Gulf Stream reserves the right to make changes in prices, colors, materials, components, and specifications and to discontinue models at any time without notice or obligation. Assumes no responsibility for any error in type or print reproduction of specifications or floor plans in this brochure. Photos may show equipment or items that are optional and are not included in the price of the coach. Test drive and review a current model at your nearest dealer. ©2010 Gulf Stream Coach, Inc. # GULF STREAM CARIBBEAN 2010

## Coastal Style

*Your Quality Time Comes From Our Quality Planning*

## See the exceptional value of a Gulf Stream Coach Take Time to Compare

1. Laminated seamless fiberglass roof
2. Luan decking for additional strength
3. Molded high density EPS (Expanded Polystyrene) roof brick insulation - provides consistent insulation value as well as superior dimensional rigidity
4. One-piece formed aluminum air conditioning duct, surrounded by EPS insulation
5. Bubble-wrapped foil superior insulation helps prevent condensation
6. Rugged welded tubular aluminum roof framing
7. Rugged heavy-gauge tubular aluminum, fixture welded to form the sidewall framing
8. High-density EPS insulation provides superior lamination and bonding characteristics and insures greater energy efficiency
9. Interior wall panels securely laminated to sidewall framing
10. "Super Slick" fiberglass exterior vacuum-bond laminated to sidewall framing for lasting beauty and durability
11. High-quality stain-resistant carpeting in designer coordinated colors
12. Extra-thick padding under carpet provides extra comfort and increases carpet durability
13. Seamless structure wood floor decking laminated to steel floor structure assures a quiet, long-lasting rigid floor
14. Heavy-gauge tubular steel framing, fixture welded for extra strength and stability
15. Heavy-gauge steel I-beam floor truss system - the strongest foundation in the industry
16. Seamless layer of galvanized steel securely attached to the steel floor framing
17. Galvanized steel used to form each storage & holding compartment
18. Durable all-weather carpeting completes each accessible storage compartment, providing extra protection for luggage and valuables
19. Rust-prohibitive paint coating applied to all steel framing assures corrosion and rust protection
20. The industry's strongest, most spacious exterior storage compartments

### Caribbean 35A

Length	38'	Water Heater	10 gal.
Height W/AC	12' 3"	LP Gas Tank	115 lbs.
Width	100"	Furnace BTU's	40,000
Interior Height	84"	Chassis	Freightliner
Interior Width	96"	Engine	340 Cummins
Fresh Water	70 gal.	Fuel	100 gal.
Grey Water	75 gal.	Wheel Base	228"
Black Water	75 gal.	GVWR	28,000

### The Cradle of Strength

Super Strength Truss System is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail, these trusses are individually tested to withstand 6,000 pounds each.

An all steel overhead structure installed above the cockpit brings strength and rigidity to the upper portion of the coach providing a safe/strong platform to install a TV that will not break free in an impact while maximizing overhead storage.
